

## **ATTENTION PERMIT APPLICANTS**

“Any” road damage that occurs to Township Roads during construction and/or excavation, by overweight vehicles in excess of weight limits or the use of machinery shall be the responsibility of the Permit Applicant. The Applicant must repair and/or reimburse the Township for the repairs to said road or road right of way. The Township must approve all repairs of this damage.

**A road bond may or may not be required.  
Check with the Pine Township Office before starting work.**
